InfiniteAloe® Gold

## Youthful Radiance

InfiniteAloe® Gold is a revolutionary anti-aging formula. It reduces the appearance of fine lines, wrinkles and other signs of aging while improving texture and elasticity to restore youthfulness. State-of-the-art NanoTechnology was engineered to deliver the benefits of Aloe Vera to the deepest levels of the skin. This innovative formula also utilizes complex peptides, hyaluronic acid and other antioxidants. Apply daily as the cornerstone of your skin care ritual.

InfiniteAloe® RX Renew

**Brighten, Rejuvenate, Renew**  
InfiniteAloe® Rx Renew Microdermabrasion Cream supports your skin's natural process of shedding damaged surface cells. Formulated with bamboo to remove dead skin cells from the top layer and stimulate new cell growth, RXRenew Microdermabrasion is an essential facet of a complete InfiniteAloe regimen. Uncover the newest you.
